Rotating Quotes

Eyeball

Eyeball

Notes:

- *New*: Logo should be clickable, upon click takes user to Homepage.

- We will provide 4-5 quotes to rotate through in a timed sequence.

- Each quote should appear for 5 seconds.

- Eyeball is clickable, functions as a "next" button to subsequent page.

- Please show a version of the page with the eyeball bottom right justified to be able to compare.

- Nav buttons take use to each section's page.

- Current Nav title is BOLDED.
